## Child Safety Statement

The Escuela Hispanoamericana de Springvale Inc. takes deliberate steps to protect children from physical, sexual, emotional, psychological and cultural abuse and neglect.

The Escuela Hispanoamericana's commitment to protecting children must be embedded in our Organisation's Culture and Policies. Responsibility for taking action must be understood and accepted by everyone.

The Escuela Hispanoamericana fosters and demonstrates openness in a variety of ways. This directly and indirectly creates a culture in which everyone – staff, volunteers,, parents, carers and children feel confident, enabled and supported to safely disclose child safety concerns.

All children, their families and carers should feel welcome at the Escuela Hispanoamericana.
